DOOR of HOPE

Are you a Visionary?

A visionary is a person who thinks about or plans for the future with imagination or wisdom.

Partners who name Door of Hope as a beneficiary in their estate plans are visionaries — igniting lasting growth and impact through our Endowment Fund creates a legacy of hope for generations to come. Established in 2020 by Daniel and Maryann Fong, Door of Hope's Endowment Fund generates perpetual income, providing continuous support to families year after year.

Imagine the thousands of parents and children Door of Hope will serve in the next 50 years: jobs gained, careers launched, savings built, healing begun, housing found, faith born. Your decision today can create a ripple effect of hope and opportunity for families we have yet to meet. This is the profound impact of legacy giving.

Serving on DOH's leadership team has shown me the extraordinary difference this ministry makes in the lives of vulnerable families. Because I believe deeply in this mission and its lasting impact, I have included DOH in my estate plans.

My hope is that this gift will help sustain God's work for years to come, providing hope, dignity, and compassionate care long into the future. For me, this legacy gift is a meaningful expression of faith and a reflection of Jesus' words: "Whatever you did for one of the least of these, you did for me."

Kingdom & Visionary Giving
A Virtual Lunch & Learn

Friday, August 28 | Noon - 1pm

What if your generosity could bless families you may never meet?

Join us for a virtual Lunch & Learn on Kingdom & Visionary Giving—a thoughtful conversation about faithful stewardship, lasting impact, and how your financial and estate plans can reflect your faith, values, and the Kingdom legacy you want your life to carry forward.

Randy Alcorn, author of The Treasure Principle, writes, "You can't take it with you—but you can send it on ahead." Jesus taught that where our treasure is, there our hearts will be also. Together, we'll explore how generosity can shape not only what we leave behind, but what our lives continue to make possible for God's Kingdom.

Together, we'll explore questions like:

Am I living as an owner—or as a steward of what God has given me?

How can generosity bring greater joy, purpose, and freedom?

What does it mean to store up treasures in heaven?

How can my estate plan reflect my faith and values?

How do I move from simply leaving assets to leaving a Kingdom legacy?
